

Rest Stop Reading from Swarthmore Libraries April 2nd, 2007

Peace Week with Friends!

The Meaning of Swarthmore: Or, How a Massive Civil Disobedience Campaign Brought Religious Toleration to Britain and America

A talk by Chris Densmore

The original Swarthmore Hall in England was a place of refuge from religious persecution in the 1600s and the headquarters for a massive campaign of civil disobedience two centuries before Gandhi and King. Come learn the true meaning of Swarthmore and its motto, "Mind the Light."

*Thursday, April 5, 5:00 PM, McCabe
Library Lobby, reception to follow.*

Did you say e-books?

Now there are more e-books than ever in your Swarthmore College Library! We have purchased an experimental subscription to Ebrary's collection of over 30,000 current electronic books. Find these books through a regular Tripod search, then read them with the help of Ebrary's great features:

- highlighting
- note-taking
- bookmarks
- dictionary, translation, map, and web searches from within the text

And more! Let us know how you like it.

WIKIPEDIA

the free workshop anyone can attend!

Part overview, part discussion group, this workshop will stimulate the workaday Wikipedia user and the seasoned contributor, alike!

With Erik Estep, Social Sciences Librarian
In McCabe's Computer Classroom

On Tuesday, April 3, 1:00 – 1:45 p.m.

RSVPs appreciated online or to awatson1.
