Rest stop reading from Swarthmore College Libraries • April 15<sup>th</sup>, 2007

Celebrate National Library Week in two simple steps:

1. Shower your library workers with gifts! Extravagant gifts!
2. Weigh in on the Question of the Week starting today! Visit the **Trico News and Notes blog** from the main Library website, or write in the Comment book.

This week's question:  
Which campus libraries do you visit? What do you do in each? Where's the best place in the library to do that? Tell us everything!

## New Tripod Feature

Prefer buttons to paper? Now you can text yourself the call number of the book or document you need to grab from the shelf! Just look for the "Send via text message" button in any Tripod record. The text message will contain the location, call number, and title of the item.

## Seniors: Planning to become a librarian?

April 20<sup>th</sup> deadline for two great opportunities:

The Graduate Library School Scholarship will award \$7,500 to a student who has applied for library school.

The Library Fellow Position is a full-time, 1-year internship at the Swarthmore College Library.

Please visit the library web site for more details.
